

LIFE IN THE SPIRIT 2022

21ST TO 23RD FEBRUARY 2022

HAYES CONFERENCE CENTRE, DERBYSHIRE

I HAVE
CALLED
YOU
FRIENDS

kineticnetwork

Welcome

It is my privilege to welcome you to **Life in the Spirit Conference 2022**. They may not be the most quoted words of Jesus, but they are among the most wonderful. When Jesus, the creator and sustainer of all things told a gang of Galilean fisherman, “I have called you friends”, he revealed something of the heart of God. Indeed, these words tell us much about the nature of our salvation as well as our ongoing ministry.

Therefore, one of the many things I appreciate about this conference is the opportunity to meet up with friends. Some of these friendships stretch back years; many are relatively new and others are yet to be formed. However, I am thankful that God has given me ‘mates in ministry’ and trust that you will feel equally blessed.

It is a great joy to welcome Andrew Bunt, who is part of the leadership team at Kings Church, Hastings and Bexhill, and Ian Galloway, Director of the Free Church Track at Cranmer Hall, Durham University. Andrew and Ian have the privilege of opening God’s word to us along with members of the Kinetic Network Team. Marc James will again be leading us in worship and we trust, many others will step out in the exercise of their spiritual gifts.

I would love to catch up with all of you and remain excited about what God will do over these three days together.

Every blessing,
Gareth Lloyd Jones

and the Kinetic Network Team

Regional Hubs

We are trusting and praying that as a result of our long-term vision and the nature of Life in the Spirit 2021, to launch new Regional Hubs in the coming months.

Network hubs are the living expression of our shared purpose; to achieve and sustain the transformation of individuals by the Spirit and the Word. They recognise that although we are called to carry a global vision and have a national identity, we should also be committed to our own local communities.

Recognise - the call for local leaders and churches who share our values to pursue God and his purposes together

Resource - and strengthen each other as leaders and churches for the extension of the Kingdom and the Glory of God

Release – one another to work both inside and outside the network in order to see transformation of individuals, churches, society, and nations through the Spirit and the Word

Relate - to one another through friendship, conferences, events, mentoring, accountability and apostolic relationships that have been established among us

If you want to know more about establishing a Regional Hub, please feel free to contact Martyn Cooling or Gareth Lloyd-Jones. We would love to help.
